## HE GETS TWO YEARS.

### Bauereisen, the Chief of the "Q" Dynamiters, is Found Guilty and Sentenced.

GENEVA, Ill., Dec. 24.—In the case of Bauereisen, chief of the dynamiters, at Aurora, Ill., who has been on trial here for several days past, the jury has returned a verdict of guilty and fixed his sentence at two years. The crime with which Bauereison was charged was conspiracy to injure the property of the Chicago, Burlington and Quincy railroad company with dynamite. Bauereisen was one of the striking engineers of that road.

## ALBERT FOSTER.

### The Sad Death of the Bright and Promising Young Man.

Mr. Bert Foster, second son of Mr. D. N. Foster, died last night about 12 o'clock, after a prolonged illness which was deemed fatal from the beginning. He had been sick for about eighteen months, his illness having come immediately upon the heels of his graduating with honor from the Fort Wayne high school, a year ago last June. He had just passed his eighteenth birthday, and had health and strength been given him, his mental callibre was such that he would have made his mark in almost any walk in life which he might have chosen.

The funeral services will occur from the family residence, 98 East Berry street, Wednesday afternoon, at 3 o'clock.

The interment will be at Newburgh, N. Y., in the family plot, in Woodlawn cemetery. They will be taken thither via. the Wabash road, leaving at 6:25 p. m., Wednesday evening.

## NOTED PUGILISTS.

### Mitchell and Kilrain Arrive in the City—A Chat With the Heavy Weights.

C. Mitchell, New York, and J. Kilrain, Baltimore, are modest but forcible signatures on the Wayne hotel register. The world-famed pugilists arrived from Chicago last night, on the vestibule train, and were driven to the hotel.

After supper the shoulder hitters walked into the hotel lobby, and then THE SENTINEL representative chatted with Jake Kilrain, who wears the *Police Gazette* diamond belt as champion of the world. The newspaper man showed him a telegram from Chicago saying, in effect, that they had left between two days to avoid arrest for sparring.

"We left Chicago at 3 o'clock this afternoon and drove from the Sherman house to the depot in a carriage. If the police wanted us they could have easily found us. We had trouble at Chicago from police interference, but "Parson" Davies secured an injunction against the cops and that protected us until we closed our engagement."

"How about your fight with Sullivan," ventured the reporter.

"I have covered his forfeit of $5,000." said the pugilist, warming up, "and this is my challenge:

"In reply to Mr. John L. Sullivan's challenge to meet me in the arena for $10,000 a side and the championship of the world, please state that I am ready to meet Mr. Sullivan to battle for $10,000 a side and the *Police Gazette* diamond belt, which represents the championship of the world.

"To prove that I am in earnest and mean business, my friend and backer has deposited $5,000 to-day with the proprietor of the *Clipper*, who I am willing shall be the final stakeholder. Myself or representatives will be ready to meet Mr. Sullivan or his representatives any day they name, giving me due notice, outside the jurisdiction of the United States, to arrange a match.

"Yours, JAKE KILRAIN,
"Champion of the World.
"December 22d."

"We go from here to Toledo and then on towards New York. I will invite Mr. Sullivan on to Canada and there we will make all necessary arrangements. I want to fight in four months and Sullivan wants six months. That is all the difference between us. I don't believe he wants to fight, however, and I have little faith in his talk."

Charley Mitchell was encountered. He is a typical English dude and the last man on earth one would pick out for a prize fighter. He would not talk about his proposed match with Dempsey, and it is probable they will not come together. Both men are in splendid form and will spar at the academy to-night.

### Death by Gas.

## RT. REV. BISHOP DWENGER.

### He Tells of His Pilgrimage to Rome, Indignities to the Pope and Predicts European War.

In the Cathedral, yesterday morning, at the 10:30 mass, Rt. Rev. Bishop Dwenger preached his first sermon since returning from Rome and was greeted by a magnificent congregation.

The distinguished prelate told the story of his visits to the sacred shrines and great churches of the old world and how, standing where the patriarchs, doctors and apostles of the Roman church did, he invoked Almighty God to bless the people of his diocese collectively and severally.

He related his interview with the pope and how pleased the holy father was with the progress of the churches, schools and charities of the Fort Wayne diocese, "And oh!" said the pontiff, "what a grand, good country America is compared to ours."

The bishop then told how the Italian government has persecuted the church, going so far as to enact vague penal laws under which priests are punished for every respectful reference to the pope. Godless schools are encouraged and rowdies are permitted to disturb Catholic church services and ecclesiastical assemblages without hindrance, while every possible indignity is heaped on the pope to add insult to encroachments on his temporal rights.

The poverty and servitude of the people of Europe touched the bishop's heart. They are oppressed by heavy tax burdens to maintain great armies and then, too, the crops are bad, so that the condition of the people meant much suffering and untold misery.

The rumors of war and constant armament also unsettle affairs and he was free to say there was little probability of averting a conflict. It was destined to come and this opinion, he said, was shared by the wisest men he met abroad.

The bishop closed his very entertaining sermon with an eloquent plea for a Christian observance of the beautiful Christmas feast.

A good time is assured yourself and lady if you attend the letter carrier's ball at the Princess Rink New Year's eve.

MONDAY, DEC. 24, 1888.

THE SENTINEL wishes its friends a joyous, merry Christmas.

REMEMBER the poor kindly to-morrow —they are always with us.

SOMETHING to be thankful for—congress has adjourned for a week.

TO-MORROW is Christmas, a universal holiday, and no SENTINEL will be issued.

HON. ALLEN O. MEYERS was acquitted of complicity in the Ohio election fraud cases, at London, Ohio, Saturday night.

GOVERNOR GRAY has appointed Addison Bybee a trustee of Purdue university to succeed himself. The term of office extends three years from August 24, 1888.

WINTER has spent a third of its fury, and we have been singularly blessed with fine weather. The coal and wood dealers are not thankful, but a great multitude of other people rejoice.

THE governor has appointed Hon. John A. Holman and Hon. Richard W. Thompson, as commissioners to represent Indiana at the centennial celebration, at Washington, of the inauguration of General Washington.

THE annual report of the state deaf and dumb institute has been submitted to the governor. It was printed and bound by the pupils and is said to be very neat. There are 318 inmates of the school. The per capita cost of the inmates during the year was $176.08. Twenty pupils are learning printing and show marked aptitude for the work. In other industrial departments pupils are learning chair caning, cabinet making, cobbling, baking, cooking, horticulture and carpentry. The system of management of the shops is unsatisfactory, and a change is desirable. If the present plan is continued, $5,000 per annum is needed additional to the present appropriation to carry them on satisfactorily. The superintendent asks for $50,000 appropriation with which to build a school building and fit up a gymnasium. With these improvements there will be room for over 600 pupils, and the limit of age of admission can be reduced from ten years to six, which is deemed very important.

### THE CHRISTIAN CHRISTMAS.

Christmas is the oldest and grandest feast in the world's calendar.

The story of its origin never wearies, its purpose never dulls, for its mission is love. At its shrine the world worships—believer and unbeliever vying with each other to do honor to the Christian Christmas day—the anniversary of the Savior of mankind.

This is the grandest of tributes to the conquering feast.

The pagans of old had their Christmas or December sun worship. The Persians had their festival of the Mithras with great rejoicings. The Italians worshipped Saturn, the Scandinavians had their Yule gayeties, but not until the fourth century was the Christian Christmas established by Julius, bishop of Rome.

The festival met with obstacles all along, the severest arising in England in 1647. The Puritans brought over here with them an aversion to the feast, but it survives them all and is to-day revered and observed wherever the tender emotions find a place in the human heart. Its influence extends and multiplies each year, its spirit overshadows the world, it is acknowledged in a thousand ways, and every token brings with it "Peace" and "Good will."

Tell, then, the stories of childhood over again, renew its charms, hang up the holly red, let the bells ring, rejoice, be merry and of good cheer, make every one about you happy, let sunshine in where it never was before, and you will agree with THE SENTINEL that a merry Christmas is within the reach of all.

CITY OF MEXICO, Dec. 24.—Letters from Rome state that Archbishop Labastide, of this diocese, will be raised to the cardinalate.

### "We Point With Pride"

To the "good name at home," won by Hood's Sarsaparilla. In Lowell, Mass., where it is prepared, there is more of Hood's Sarsaparilla sold than of all other medicines, and it has given the best of satisfaction since its introduction ten years ago, This could not be if the medicine did not possess merit. If you suffer from impure blood try Hood's Sarsaparilla and realize its peculiar curative power.

## HE GOES FREE.

### Plumley, Who Killed Wallace Carpenter, Acquitted at Paulding.

PAULDING, Ohio, Dec. 24.—The famous Plumley murder trial is at an end, and the defendant, who has been through the ordeal of two long, tedious trials, is acquitted.

The crime for which J. A. Plumley was tried was the killing of Wallace Carpenter at Broughton, Paulding county, in October, 1887. The facts in the case were nearly as follows; Plumley came to Broughton from Washington, D. C., in 1886, where he accepted the superintendency of the Vanderbilt Stave company, which has a large factory at this place. He and Wallace Carpenter quarreled and after the latter had punished Plumley's son, both men went looking for each other armed. Both men drew pistols, but Carpenter fell fatally wounded. Plumley was arrested and jailed. He was indicted for murder in the first degree and tried the first time last May, when the jury disagreed. In September he was admitted to bail and by the action of the jury at this trial is restored to his family. He had some influential friends at Washington, who aided him at both trials.

**MASON & HAMLIN**

The cabinet organ was introduced in its present form by Mason & Hamlin in 1861. Other makers followed in the manufacture of these instruments, but the Mason & Hamlin Organs have always maintained their supremacy as the best in the world.

Mason & Hamlin offer, as demonstration of the unequalled excellence of their organs, the fact that at all of the great World's Exhibitions, since that of Paris, 1867, in competition with best makers of all countries, they have invariably taken the highest honors. Illustrated catalogues free. **ORGANS** $22 TO $900.

Mason & Hamlin do not hesitate to make the extraordinary claim for their pianos, that they are superior to all others. They recognize the high excellence achieved by other leading makers in the art of piano building, but still claim superiority. This they attribute solely to the remarkable improvement introduced by them in the year 1882, and now known as the "MASON & HAMLIN PIANO STRINGER," by the use of which is secured the greatest possible purity and refinement of tone, together with greatly increased capacity for standing in tune and other important advantages. **PIANOS** GRAND & UPRIGHT.

A circular, containing testimonials from three hundred purchasers, musicians, and tuners, sent, together with descriptive catalogue, to any applicant.

Pianos and Organs sold for cash or easy payments; also rented.

## THE HUM OF THE WHEEL.

### The Busy Industries Will be Silent To-morrow—The News and Gossip To-day.

The railroads are enjoying a good holiday travel.

The Barry & Fay party went to Greenville, Ohio, on the Pittsburg.

The annual inventory at the Pittsburg shops has been finished.

Al. Throckmorton, of the Pittsburg blacksmith shops, is visiting at Mansfield, O.

John Slater, of the Pittsburg blacksmith shops, will eat his turkey at Arcola to-morrow.

Robert Strasser, machinist at the Bass works, is spending his holiday vacation out of the city.

Lorenzo Armbuster, of the Bass blacksmith shops, has returned to work after an illness of some time.

George Darker, clerk at the Bass works, has recovered from his recent sickness and will resume his duties Wednesday.

Ed Keegan, formerly a carrier boy on THE SENTINEL, has accepted a position as messenger at the Pittsburg shops. He is a bright boy and will work his way up in railroad circles.

A special car containing a number of the officials of the Grand Rapids road, was in the city last evening. They were on their way to Pittsburg, Washington and other eastern cities.

B. F. Swain, the night watchman at the Pittsburg shops, observed the silver anniversary of his marriage to-day. A quarter of a century of married life finds Mr. Swain happy and with a large circle of friends who will congratulate him over the event.

On application of Receiver McNulta, of the Wabash, Judge Gresham has issued a writ enjoining a scalper named Frank, of Chicago, from disposing of Wabash tickets in his possession. Frank holds 1,000 tickets and refuses to return them unless he can get an exhorbitant price for them.

The seventy switchmen at the Union Pacific yards at Denver, Col., have struck for an increase in wages of 5 cents per hour and for additional men. They also demand that Local Agent Smith be removed and they be placed under a yardmaster. The probabilities are the trouble will soon be amicably settled.

Most of the manufacturing establishments of the city will close down to-morrow, and their thousands of employes will spend the day in various manners. Many will pass it quietly at home and some will leave city to visit friends at other places. To all the boys our railroad reporter extends a "Merry Christmas." May the day be spent by them in a pleasant manner.

James A. Cunningham sued the Evansville and Terre Haute railroad company for $200,000 damages for the burning of his starch works, at Evansville, in 1879, claiming that the fire was caused from a spark of a passing engine. The case has been tried twice and judgment given for the plaintiff. The third trial ended at Petersburg recently by the jury failing to agree.

The report of the Wabash railway for the month of November has just been issued. It showed cash on hand November 1, $754,722; receipts November 1 to November 30, $865,293; total, $1,620,016; disbursements, $1,362,103; cash on hand, $257,912. Included in the November disbursements is an item of $526,157 deposited with the Central Trust company, of New York for payment December 1 of interest on the first mortgage bonds.

Do you suffer with catarrh; You can be cured if you Hood's Sarsaparilla, the great blood purifier. Sold by all druggirts.

Mr. Howell C. Rockhill returned from Chicago last evening.

Physicians prescribe Ayer's Sarsaparilla in cases of scrofula, and in every form of chronic disease, because this medicine is safer to take, and is more highly concentrated, than any other preparation. It can always be depended upon as an effective blood purifier.

### HOLIDAY EXCURSION TICKETS.

For the Christmas and New Year holidays, the Wabash railway will sell excursion tickets from and to all points on its lines, at the rate of one fare and one-third for the round trip. Tickets will be sold December 24th and 25th, and December 31st, 1888, and January 1st, 1889; good going only on day of sale; good returning up to and including January 3rd, 1889. For full particulars inquire of the local agent of Wabash railway. 10-tf

### LOCAL ITEMS.

Mr. Ed McDonald and bride, nee Gilmartin, arrived home from the west last evening.

Mr. Henry Newhaus went to Chicago this morning to spend Christmas with his sister, Mrs. George Schott.

The A. M. Palmer theatrical party passed through the city last evening en route east. They took supper at the McKinnie house.

Mr. and Mrs. A. H. Saylor, of Antwerp, O., and Mr. Frank Saylor, student at the Michigan university at Ann Arbor, are in the city, spending Christmas with relatives on Griffith street.

The Rice and Shepard minstrels are the finest in the world, far surpassing Wilson's, or any that have appeared here. They give two performences tomorrow—afternoon and evening.

Hugh Fay was very ill Saturday night, but he went through the performance at the Temple, just the same. Dr. Dinnen, who is his personal friend, was at the Temple to administer to his wants.

Mr. and Mrs. Will H. Fleming, Mr. and Mrs. John H. Mohr and children and Miss Lizzie DeWald, Mr. and Mrs. E. G. Evans and Miss Evans, C. E. Wayne were the city people registered for dinner at the Wayne yesterday.

The "Big 4," Smith, Waldron, Haley and Martin, who will be remembered here as a big attraction at the opening of the Temple, are now connected with the Rice and Shepard minstrels. They will appear at both performances tomorrow.

Barry and Fay gave one of the very best shows of the season at the Temple Saturday evening. The audience was not large, for everybody was out shopping for Christmas, but people who did attend will not forget "McKenna's Flirtation." Barry and Fay ~~are~~ great in their parts. The party went to Greenville, Ohio, this morning, after Sundaying at the Wayne.

**"The Gladstone" LAMP**

is the finest lamp in the world. It gives a **pure, soft, brilliant white** light of **85** candle power,—a *marvelous light from ordinary oil!* Nobody ever supposed such a light was possible from kerosene oil; yet it is there, and

**Seeing is Believing**

A "wonderful lamp" it is in all respects. It never needs trimming, never smokes nor breaks chimneys, never "smells of the oil;" no gumming up, no leaks, no sputtering, no climbing of the flame, no annoyance of any kind, and **cannot explode.** And then, beside all these advantages, think of a lamp giving a *clear, white light,* **10 to 20** times the size and brilliancy of *any ordinary house lamp!*

**"The Gladstone"** is made of high-grade, hard rolled metal (all parts interchangeable), and in elegant designs for Dining or Parlor Table, the Study, Drawing-room, Hall or Chamber. Finished in either Gold bronze, Nickel or Antique bronze. **Every home should have it.**

Illustrated price list will be sent you on receipt of a postal card. Single lamps at *wholesale price,* with or without porcelain shade, carefully boxed and sent by express to any part of the country.

**Luxuriant Hair**

Can only be preserved by keeping the scalp clean, cool, and free from dandruff, and the body in a healthful condition. The great popularity of Ayer's Hair Vigor is due to the fact that it cleanses the scalp, promotes the growth of the hair, prevents it from falling out, and gives it that soft and silky gloss so essential to perfect beauty.

Frederick Hardy, of Roxbury, Mass., a gentleman fifty years of age, was fast losing his hair, and what remained was growing gray. After trying various dressings with no effect, he commenced the use of Ayer's Hair Vigor. "It stopped the falling out," he writes; "and, to my great surprise, converted my white hair (without staining the scalp) to *the same shade of brown* it had when I was 25 years of age."

**Ten Years Younger.**

Mrs. Mary Montgomery, of Boston, writes: "For years, I was compelled to wear a dress cap to conceal a bald spot on the crown of my head; but now I gladly lay the cap aside, for your Hair Vigor is bringing out a new growth. I could hardly trust my senses when I first found my hair growing; but there it is, and I am delighted. *I look ten years younger.*"

A similar result attended the use of Ayer's Hair Vigor by Mrs. O. O. Prescott, of Charlestown, Mass., Miss Bessie H. Bedloe, of Burlington, Vt., Mrs. J. J. Burton, of Bangor, Me., and numerous others

The loss of hair may be owing to impurity of the blood or derangement of the stomach and liver, in which case, a course of **Ayer's Sarsaparilla** or of **Ayer's Pills,** in connection with the **Vigor,** may be necessary to give health and tone to all the functions of the body. At the same time, it cannot be too strongly urged that none of these remedies can do much good without a persevering trial and strict attention to cleanly and temperate habits.

**Ayer's Hair Vigor,**
Prepared by Dr. J. C. Ayer & Co., Lowell, Mass.
Sold by Druggists and Perfumers.

## HE GETS TWO YEARS.

### Bauereisen, the Chief of the "Q" Dynamiters, is Found Guilty and Sentenced.

GENEVA, Ill., Dec. 24.—In the case of Bauereisen, chief of the dynamiters, at Aurora, Ill., who has been on trial here for several days past, the jury has returned a verdict of guilty and fixed his sentence at two years. The crime with which Bauereisen was charged was conspiracy to injure the property of the Chicago, Burlington and Quincy railroad company with dynamite. Bauereisen was one of the striking engineers of that road.

## ALBERT FOSTER.

### The Sad Death of the Bright and Promising Young Man.

Mr. Bert Foster, second son of Mr. D. N. Foster, died last night about 12 o'clock, after a prolonged illness which was deemed fatal from the beginning. He had been sick for about eighteen months, his illness having come immediately upon the heels of his graduating with honor from the Fort Wayne high school, a year ago last June. He had just passed his eighteenth birthday, and had health and strength been given him, his mental calibre was such that he would have made his mark in almost any walk in life which he might have chosen.

The funeral services will occur from the family residence, 98 East Berry street, Wednesday afternoon, at 3 o'clock.

The interment will be at Newburgh, N. Y., in the family plot, in Woodlawn cemetery. They will be taken thither via. the Wabash road, leaving at 6:25 p. m., Wednesday evening.

## NOTED PUGILISTS.

### Mitchell and Kilrain Arrive in the City—A Chat With the Heavy Weights.

C. Mitchell, New York, and J. Kilrain, Baltimore, are modest but forcible signatures on the Wayne hotel register. The world-famed pugilists arrived from Chicago last night, on the vestibule train, and were driven to the hotel.

After supper the shoulder hitters walked into the hotel lobby, and then THE SENTINEL representative chatted with Jake Kilrain, who wears the *Police Gazette* diamond belt as champion of the world. The newspaper man showed him a telegram from Chicago saying, in effect, that they had left between two days to avoid arrest for sparring.

"We left Chicago at 3 o'clock this afternoon and drove from the Sherman house to the depot in a carriage. If the police wanted us they could have easily found us. We had trouble at Chicago from police interference, but "Parson" Davies secured an injunction against the cops and that protected us until we closed our engagement."

"How about your fight with Sullivan," ventured the reporter.

"I have covered his forfeit of $5,000," said the pugilist, warming up, "and this is my challenge;

"In reply to Mr. John L. Sullivan's challenge to meet me in the arena for $10,000 a side and the championship of the world, please state that I am ready to meet Mr. Sullivan to battle for $10,000 a side and the *Police Gazette* diamond belt, which represents the championship of the world.

"To prove that I am in earnest and mean business, my friend and backer has deposited $5,000 to-day with the proprietor of the *Clipper*, who I am willing shall be the final stakeholder. Myself or representatives will be ready to meet Mr. Sullivan or his representatives any day they name, giving me due notice, outside the jurisdiction of the United States, to arrange a match.

"Yours, JAKE KILRAIN,
"Champion of the World.
"December 22d."

"We go from here to Toledo and then on towards New York. I will invite Mr. Sullivan on to Canada and there we will make all necessary arrangements. I want to fight in four months and Sullivan wants six months. That is all the difference between us. I don't believe he wants to fight, however, and I have little faith in his talk."

Charley Mitchell was encountered. He is a typical English dude and the last man on earth one would pick out for a prize fighter. He would not talk about his proposed match with Dempsey, and it is probable they will not come together. Both men are in splendid form and will spar at the academy to-night.

### Death by Gas.

NEW YORK, Dec. 24.—Lawrence Hundertmock was found dead in bed at 500 West 159th street early this morning. The gas was turned on in full force and had been smothered in his sleep.

## RT. REV. BISHOP DWENGER.

### He Tells of His Pilgrimage to Rome, Indignities to the Pope and Predicts European War.

In the Cathedral, yesterday morning, at the 10:30 mass, Rt. Rev. Bishop Dwenger preached his first sermon since returning from Rome and was greeted by a magnificent congregation.

The distinguished prelate told the story of his visits to the sacred shrines and great churches of the old world and how, standing where the patriarchs, doctors and apostles of the Roman church did, he invoked Almighty God to bless the people of his diocese collectively and severally.

He related his interview with the pope and how pleased the holy father was with the progress of the churches, schools and charities of the Fort Wayne diocese, "And oh!" said the pontiff, "what a grand, good country America is compared to ours."

The bishop then told how the Italian government has persecuted the church, going so far as to enact vague penal laws under which priests are punished for every respectful reference to the pope. Godless schools are encouraged and rowdies are permitted to disturb Catholic church services and ecclesiastical assemblages without hindrance, while every possible indignity is heaped on the pope to add insult to encroachments on his temporal rights.

The poverty and servitude of the people of Europe touched the bishop's heart. They are oppressed by heavy tax burdens to maintain great armies and then, too, the crops are bad, so that the condition of the people meant much suffering and untold misery.

The rumors of war and constant armament also unsettle affairs and he was free to say there was little probability of averting a conflict. It was destined to come and this opinion, he said, was shared by the wisest men he met abroad.

The bishop closed his very entertaining sermon with an eloquent plea for a Christian observance of the beautiful Christmas feast.

A good time is assured yourself and lady if you attend the letter carrier's ball at the Princess Rink New Year's eve.

Edward McSweeny, aged twenty-seven years, died of consumption at the St. Joe hospital, Saturday, and was buried this afternoon.

There will be impressive services in all the Catholic churches to-morrow. The first mass at the cathedral will be at 5 o'clock in the morning.

Gust Eiter, Enoch Joslyn, Pat Nolan, James McCloud and Ed Mitsoll were fined for drunkenness by the mayor this morning. There was no fringe on their spree.

Bridget Madigan, aged eighty-four years, died at the residence of her son-in-law, Officer Pat O'Ryan, on Baker street, last night. Mrs. Madigan was an estimable Christian woman, and lived a long and useful life.

Henry Axt was adjudged insane Saturday, and is a raving maniac. Last night he broke all the windows in his room at the jail, tore the bath tub from its holdings, and was otherwise furious. His condition is pitiable.

## A RIVER HORROR.

### A Passenger Steamer Destroyed by Fire and Many Lives Are Lost.

MEMPHIS, Tenn., Dec. 24.—The elegant passenger steamer Kate Adams, running as a semi-weekly packet between Memphis and Arkansas City, burned, yesterday, near Commerce, Miss., forty miles south of this city. She was en route to Memphis, and had about 200 people aboard. The passengers were at breakfast when the fire broke out and a panic siezed them and the crew. Many jumped overboard and about forty people were drowned in attempting to escape.

## MR. IKE MYERS.

### Death of the Popular Traveling Engineer of the Wabash Road.

A telegram from Pueblo, Col., this morning, brought the sad tidings of the death of Mr. Isaac N. Myers, long the traveling engineer on the Wabash road. Mr. Myers has been a sufferer from consumption for years and went west some months ago in hope of finding health. Mr. Myers was unmarried and about thirty-five years of age. He was a member of Fort Wayne commandery, Knights Templar, and they are awaiting advices as to what to do, but it is safe to say his remains will be brought to Fort Wayne. The deceased was universally liked and many hearts will ache in silence, when they read of his untimely death.

## CORA LEE.

### The Heroine of the Graham-Malloy Escapade in the City.

Miss Cora Lee, the heroine of the Graham-Malloy escapade, is in the city, the guest of friends. Time has dealt lightly with the girl since the Missouri tragedies, and her entangling charms are as fair as ever.

She is here under an assumed name and appears on the streets daily. She does not disclose her identity so as to avoid notoriety, but THE SENTINEL cannot overlook her presence.

### England's Parliament.

LONDON, Dec. 24.—Parliament was prorogued to-day, and the queen made a speech.

Prominent players from all over the state will contest for the championship, among them Mr. Paul Kuhne, of this city. It is probable one night will be set apart for a team match between Indianapolis and the rest of the state. The tournament will be held in English's hotel.

Rev. G. F. Kriete, the secretary and treasurer of the Reformed Orphans' home, is receiving a number of Christmas contributions for that institutions. With his duties as pastor of the Salem church and attending to the pressing business of the orphans' home he has his hands full, but the popular Salem pastor is, nevertheless, doing his work in a grand manner.

"I was severely afflicted with scrofula, and over a year had two running sores on my neck. Took five bottles Hood's Sarsaparilla, and am cured." C. E. LOVEJOY, Lowell, Mass.

Fort Wayne Sentinel.

E. A. K. HACKETT, Editor and Proprietor.

MONDAY, DEC. 24, 1888.

The Sentinel wishes its friends a joyous, merry Christmas.

Remember the poor kindly to-morrow—they are always with us.

Something to be thankful for—congress has adjourned for a week.

To-morrow is Christmas, a universal holiday, and no Sentinel will be issued.

Hon. Allen O. Meyers was acquitted of complicity in the Ohio election fraud cases, at London, Ohio, Saturday night.

Governor Gray has appointed Addison Byles a trustee of Purdue university to succeed himself. The term of office extends three years from August 24, 1888.

Winter has spent a third of its fury, and we have been singularly blessed with fine weather. The coal and wood dealers are not thankful, but a great multitude of other people rejoice.

The governor has appointed Hon. John A. Holman and Hon. Richard W. Thompson, as commissioners to represent Indiana at the centennial celebration, at Washington, of the inauguration of General Washington.

The annual report of the state deaf and dumb institute has been submitted to the governor. It was printed and bound by the pupils and is said to be very neat. There are 318 inmates of the school. The per capita cost of the inmates during the year was $170.08. Twenty pupils are learning printing and show marked aptitude for the work. In other industrial departments pupils are learning chair caning, cabinet making, cobbling, baking, cooking, horticulture and carpentry. The system of management of the shops is unsatisfactory, and a change is desirable. If the present plan is continued, $5,000 per annum is needed additional to the present appropriation to carry them on satisfactorily. The superintendent asks for $50,000 appropriation with which to build a school building and fit up a gymnasium. With these improvements there will be room for over 600 pupils, and the limit of age of admission can be reduced from ten years to six, which is deemed very important.

### THE CHRISTIAN CHRISTMAS.

Christmas is the oldest and grandest feast in the world's calendar.

The story of its origin never wearies, its purpose never dulls, for its mission is love. At its shrine the world worships—believer and unbeliever vying with each other to do honor to the Christian Christmas day—the anniversary of the Savior of mankind.

This is the grandest of tributes to the conquering feast.

The pagans of old had their Christmas or December sun worship. The Persians had their festival of the Mithras with great rejoicings. The Italians worshipped Saturn, the Scandinavians had their Yule gayeties, but not until the fourth century was the Christian Christmas established by Julius, bishop of Rome.

The festival met with obstacles all along, the severest arising in England in 1647. The Puritans brought over here with them an aversion to the feast, but it survives them all and is to-day revered and observed wherever the tender emotions find a place in the human heart. Its influence extends and multiplies each year, its spirit overshadows the world, it is acknowledged in a thousand ways, and every token brings with it "Peace" and "Good will."

Tell, then, the stories of childhood over again, renew its charms, hang up the holly red, let the bells ring, rejoice, be merry and of good cheer, make every one about you happy, let sunshine in where it never was before, and you will agree with The Sentinel that a merry Christmas is within the reach of all.

### Still Investigating Dudley.

Indianapolis, Dec. 24.—Forty witnesses from Wayne, Blackford, Wells and Greene counties were before the federal grand jury on election cases yesterday. The jury holds night sessions, pausing only for a bite at noon and for supper.

### Shot by a Saloonist.

Findlay, O., Dec. 24.—Last evening John Kepner, a saloon keeper, shot James Bann three times. Kepner had ejected Bann from his saloon and the latter threw a stone through his window. Bann will die.

### Mexico May Get a Cardinal.

City of Mexico, Dec. 24.—Letters from Rome state that Archbishop Labastide, of this diocese, will be raised to the cardinalate.

### "We Point With Pride"

To the "good name at home," won by Hood's Sarsaparilla. In Lowell, Mass., where it is prepared, there is more of Hood's Sarsaparilla sold than of all other medicines, and it has given the best of satisfaction since its introduction ten years ago. This could not be if the medicine did not possess merit. If you suffer from impure blood try Hood's Sarsaparilla and realize its peculiar curative power.

## HE GOES FREE.

### Plumley, Who Killed Wallace Carpenter, Acquitted at Paulding.

Paulding, Ohio, Dec. 24.—The famous Plumley murder trial is at an end, and the defendant, who has been through the ordeal of two long, tedious trials, is acquitted.

The crime for which J. A. Plumley was tried was the killing of Wallace Carpenter at Broughton, Paulding county, in October, 1887. The facts in the case were nearly as follows; Plumley came to Broughton from Washington, D. C., in 1886, where he accepted the superintendency of the Vanderbilt Stave company, which has a large factory at this place. He and Wallace Carpenter quarreled and after the latter had punished Plumley's son, both men went looking for each other armed. Both men drew pistols, but Carpenter fell fatally wounded. Plumley was arrested and jailed. He was indicted for murder in the first degree and tried the first time last May, when the jury disagreed. In September he was admitted to bail and by the action of the jury at this trial is restored to his family. He had some influential friends at Washington, who aided him at both trials.

Caution. If you ask your druggist for Pond's Extract, and he tries to impose upon you by offering "something the same as Pond's Extract," do not believe him. There is nothing the same as Pond's Extract. It can not be successfully imitated and any articles offered as such are only worthless counterfeits. Put no faith in any druggist trying to deceive you. It is sold only in bottles, inclosed in buff wrappers, with the words "Pond's Extract" blown in the glass, and is never sold in bulk.

**MASON & HAMLIN**

The cabinet organ was introduced in its present form by Mason & Hamlin in 1861. Other makers followed in the manufacture of these instruments, but the Mason & Hamlin Organs have always maintained their supremacy as the best in the world.

Mason & Hamlin offer, as demonstration of the unequalled excellence of their organs, the fact that at all of the great World's Exhibitions, since that of Paris, 1867, in competition with best makers of all countries, they have invariably taken the highest honors. **ORGANS** Illustrated catalogues $22 TO $900. free.

Mason & Hamlin do not hesitate to make the extraordinary claim for their pianos, that they are superior to all others. They recognise the high excellence achieved by other leading makers in the art of piano building, but still claim superiority. This they attribute solely to the remarkable improvement introduced by them in the year 1882, and now known as the "MASON & HAMLIN PIANO STRINGER," by the use of which is secured the greatest possible purity and refinement of tone, together with greatly increased capacity for standing in tune and other important advantages. **PIANOS** GRAND & UPRIGHT.

A circular, containing testimonials from three hundred purchasers, musicians, and tuners, sent, together with descriptive catalogue, to any applicant.

Pianos and Organs sold for cash or easy payments; also rented.

## THE HUM OF THE WHEEL.

### The Busy Industries Will be Silent To-morrow—The News and Gossip To-day.

The railroads are enjoying a good holiday travel.

The Barry & Fay party went to Greenville, Ohio, on the Pittsburg.

The annual inventory at the Pittsburg shops has been finished.

Al. Throckmorton, of the Pittsburg blacksmith shops, is visiting at Mansfield, O.

John Slaten, of the Pittsburg blacksmith shops, will eat his turkey at Arcola to-morrow.

Robert Strasser, machinist at the Bass works, is spending his holiday vacation out of the city.

Lorenzo Armbuster, of the Bass blacksmith shops, has returned to work after an illness of some time.

George Darker, clerk at the Bass works, has recovered from his recent sickness and will resume his duties Wednesday.

Ed Keegan, formerly a carrier boy on THE SENTINEL, has accepted a position as messenger at the Pittsburg shops. He is a bright boy and will work his way up in railroad circles.

A special car containing a number of the officials of the Grand Rapids road, was in the city last evening. They were on their way to Pittsburg, Washington and other eastern cities.

B. F. Swain, the night watchman at the Pittsburg shops, observed the silver anniversary of his marriage to-day. A quarter of a century of married life finds Mr. Swain happy and with a large circle of friends who will congratulate him over the event.

On application of Receiver McNulta, of the Wabash, Judge Gresham has issued a writ enjoining a scalper named Frank, of Chicago, from disposing of Wabash tickets in his possession. Frank holds 1,000 tickets and refuses to return them unless he can get an exhorbitant price for them.

The seventy switchmen at the Union Pacific yards at Denver, Col., have struck for an increase in wages of 5 cents per hour and for additional men. They also demand that Local Agent Smith be removed and they be placed under a yardmaster. The probabilities are the trouble will soon be amicably settled.

Most of the manufacturing establishments of the city will close down to-morrow, and their thousands of employes will spend the day in various manners. Many will pass it quietly at home and some will leave city to visit friends at other places. To all the boys our railroad reporter extends a "Merry Christmas." May the day be spent by them in a pleasant manner.

James A. Cunningham sued the Evansville and Terre Haute railroad company for $200,000 damages for the burning of his starch works, at Evansville, in 1879, claiming that the fire was caused from a spark of a passing engine. The case has been tried twice and judgment given for the plaintiff. The third trial ended at Petersburg recently by the jury failing to agree.

The report of the Wabash railway for the month of November has just been issued. It showed cash on hand November 1, $754,722; receipts November 1 to November 30, $865,293; total, $1,620,016; disbursements, $1,362,103; cash on hand, $257,912. Included in the November disbursements is an item of $526,157 deposited with the Central Trust company, of New York for payment December 1 of interest on the first mortgage bonds.

Do you suffer with catarrh? You can be cured if you Hood's Sarsaparilla, the great blood purifier. Sold by all druggists.

Mr. Howell C. Rockhill returned from Chicago last evening.

Physicians prescribe Ayer's Sarsaparilla in cases of scrofula, and in every form of chronic disease, because this medicine is safer to take, and is more highly concentrated, than any other preparation. It can always be depended upon as an effective blood purifier.

### HOLIDAY EXCURSION TICKETS.

For the Christmas and New Year holidays, the Wabash railway will sell excursion tickets from and to all points on its lines, at the rate of one fare and one-third for the round trip. Tickets will be sold December 24th and 25th, and December 31st, 1888, and January 1st, 1889; good going only on day of sale; good returning up to and including January 3rd, 1889. For full particulars inquire of the local agent of Wabash railway. 10-tf

## LOCAL ITEMS.

Mr. Ed McDonald and bride, nee Gilmartin, arrived home from the west last evening.

Mr. Henry Newhaus went to Chicago this morning to spend Christmas with his sister, Mrs. George Schott.

The A. M. Palmer theatrical party passed through the city last evening en route east. They took supper at the McKinnie house.

Mr. and Mrs. A. H. Saylor, of Antwerp, O., and Mr. Frank Saylor, student at the Michigan university at Ann Arbor, are in the city, spending Christmas with relatives on Griffith street.

The Rice and Shepard minstrels are the finest in the world, far surpassing Wilson's, or any that have appeared here. They give two performances tomorrow—afternoon and evening.

Hugh Fay was very ill Saturday night, but he went through the performance at the Temple, just the same. Dr. Dinnen, who is his personal friend, was at the Temple to administer to his wants.

Mr. and Mrs. Will H. Fleming, Mr. and Mrs. John H. Mohr and children and Miss Lizzie DeWald, Mr. and Mrs. E. G. Evans and Miss Evans, C. E. Wayne were the city people registered for dinner at the Wayne yesterday.

The "Big 4," Smith, Waldron, Haley and Martin, who will be remembered here as a big attraction at the opening of the Temple, are now connected with the Rice and Shepard minstrels. They will appear at both performances tomorrow.

Barry and Fay gave one of the very best shows of the season at the Temple Saturday evening. The audience was not large, for everybody was out shopping for Christmas, but people who did attend will not forget "McKenna's Flirtation." Barry and Fay are great in their parts. The party went to Greenville, Ohio, this morning, after Sundaying at the Wayne.

**"The Gladstone" LAMP**

is the finest lamp in the world. It gives a pure, soft, brilliant white light of 85 candle power,—a marvelous light from ordinary oil! Nobody ever supposed such a light was possible from kerosene oil; yet it is there, and

**Seeing is Believing**

A "wonderful lamp" it is in all respects. It never needs trimming, never smokes nor breaks chimneys, never "smells of the oil;" no gumming up, no leaks, no sputtering, no climbing of the flame, no annoyance of any kind, and cannot explode. And then, beside all these advantages, think of a lamp giving a *clear, white light,* **16 to 20** times the size and brilliancy of any *ordinary house lamp!*

"The Gladstone" is made of high-grade, hard rolled metal (all parts interchangeable), and in elegant designs for Dining or Parlor Table, the Study, Drawing-room, Hall or Chamber. Finished in either Gold bronze, Nickel or Antique bronze. Every home should have it.

Illustrated price list will be sent you on receipt of a postal card. Single lamps at *wholesale price,* with or without porcelain shade, carefully boxed and sent by express to any part of the country.

☞ See our prices and then order. "*Seeing is believing.*" Address Gladstone Lamp Co., 10 East 14th St., New York City. A live Agent wanted in every town to sell these lamps.

**Luxuriant Hair**

Can only be preserved by keeping the scalp clean, cool, and free from dandruff, and the body in a healthful condition. The great popularity of **Ayer's Hair Vigor** is due to the fact that it cleanses the scalp, promotes the growth of the hair, prevents it from falling out, and gives it that soft and silky gloss so essential to perfect beauty.

Frederick Hardy, of Roxbury, Mass., a gentleman fifty years of age, was fast losing his hair, and what remained was growing gray. After trying various dressings with no effect, he commenced the use of Ayer's Hair Vigor. "It stopped the falling out," he writes; "and, to my great surprise, converted my white hair (without staining the scalp) to *the same shade of brown* it had when I was 25 years of age."

**Ten Years Younger.**

Mrs. Mary Montgomery, of Boston, writes: "For years, I was compelled to wear a dress cap to conceal a bald spot on the crown of my head; but now I gladly lay the cap aside, for your Hair Vigor is bringing out a new growth. I could hardly trust my senses when I first found my hair growing; but there it is, and I am delighted. *I look ten years younger.*"

A similar result attended the use of Ayer's Hair Vigor by Mrs. O. O. Prescott, of Charlestown, Mass., Miss Bessie H. Bedloe, of Burlington, Vt., Mrs. J. J. Burton, of Bangor, Me., and numerous others.

The loss of hair may be owing to impurity of the blood or derangement of the stomach and liver, in which case, a course of **Ayer's Sarsaparilla**, or of **Ayer's Pills**, in connection with the Vigor, may be necessary to give health and tone to all the functions of the body. At the same time, it cannot be too strongly urged that none of these remedies can do much good without a persevering trial and strict attention to cleanly and temperate habits.

**Ayer's Hair Vigor,**
Prepared by Dr. J. C. Ayer & Co., Lowell, Mass.
Sold by Druggists and Perfumers.

**Advice to Mothers.**—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to take. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.
